State and Federal Public Health partners.*

The Anaconda Community Market, sponsored by the Anaconda Community Foundation and other partners, will enact the following safety plan for each market held, Tuesdays, 4pm – 7pm, beginning July 20th and concluding September 7th at the Kennedy Common. Safety procedures will be enacted during set-up and take-down as well.

The Anaconda Community Market (ACM) Guidelines clearly inform vendors what to expect and how to prepare for each market. ACM customers and participants will be informed via advertising and on-the-ground signage as to the safety requirements including:

- Advertising for the market will include new safety requirements.
- Prominent signage will remind all participants to social distance, wear masks, reduce handling of products, remain home if ill, and to use sanitizer.
- Hand sanitizer is to be available at each vendor table. (ACM will provide if necessary.)
- Vendors are encouraged to have an extra table to serve as a space barrier between vendor and customer.
- At least three hand sanitizer stations will be set up throughout the market.
- Masks are required by vendors and encouraged for customers when engaging with a customer for a sale. (ACM will provide disposable masks if necessary.)
- Vendors will be spaced to increase the distance between other vendors as well as customers. Customers will be encouraged to stand 6 feet apart.

Overview

The Anaconda Community Foundation has established a market committee to create the guidelines for a successful and safe Market. The Anaconda Community Foundation hired a Market Manager to manage and oversee operation of the Market. This individual will be assisted by a committee and volunteers.

The Market guidelines and rules are intended to ensure:

- The market is a safe, enjoyable place for residents and visitors to gather and purchase area foods, original crafts, and wares.
- The market and its vendors are in compliance with federal, state, county, and local regulations.
- The market plays a positive role in the community and has a welcoming environment.
- Vendors have a fair, equitable and respectful atmosphere in which to conduct their business.

This document seeks to set forth a basic set of rules and guidelines to provide for the successful operation of the Market but cannot contemplate every possibility. ***Therefore, the Market reserves the right to do whatever may be additionally necessary to protect the intent and well-being of the Market; its patrons and vendors; as well as the staff, volunteers, and the City of Anaconda.***

Vendor Application, Fees and Payment Process

- Applicants must complete a vendor application and provide all required forms and licenses prior to being considered for participation in the market.
- Applications will be reviewed and approved before a vendor may participate in the Market. Space at the Market and the items a vendor offers are factors in determining approval as well as vendor's history with the Market, attendance and past performance, and balance of Market offerings.
- **During the selection of a vendor, the Market shall not discriminate on the basis of race, color, creed, religion, ancestry, national origin, sex, sexual orientation, disability, age, marital status, or status with regard to public assistance.**

In addition, changes in vendor participation may occur at the sole discretion of the Market committee based on factors such as customer attendance, COVID-19 restrictions, Market vision or plans.

Sexual Harassment is any unwelcome advance, sexually suggestive or lewd comment, or physical contact of a sexual nature which creates or has the tendency to create an intimidating, hostile, or offensive environment, whether any such conduct is directed at market staff, vendors, or participants. Market management has the authority to investigate and make final determinations regarding any claims of Sexual Harassment as it may see fit. - Vendors are expected to treat other vendors politely and use a problem-solving approach to any problems that arise. If a vendor is experiencing a problem with a fellow vendor or customer, he or she must notify Market management. Sales Reporting

Vendors may be asked to periodically report gross Market sales for one Market date through an online form emailed to the vendors. These sales reports are used to gauge the volume and financial impact of the Market. No records will be kept identifying the sales history of any individual vendor.

Permits, Licenses, Taxes and Insurance

The Market may be inspected by Deer Lodge County, or State inspectors on any day without advance notice. Inspectors may have the authority to temporarily close vendor businesses. To avoid disruption and lost income, it is important to seek all appropriate licensing and permits prior to the beginning of the market season. Copies of these licenses must be submitted with vendor application.

All permits and licenses required by the City/County of Anaconda-Deer Lodge, the State of Montana

or the Federal Government are the sole responsibility of the vendors. Vendors must work directly with the issuing agency to seek proper licensing.

Vendors must provide a copy of all applicable licenses to the Market along with vendor application. Vendors must also have licenses available for review in person on every Market day.

Vendors operating food trucks [self-contained mobile food units where foods are cooked or served ready-to eat to Market customers] will be required to display a current Retail Food License from the Anaconda-Deer Lodge County Environmental Health 406.563.4035.

Anaconda-Deer Lodge County, Anaconda Community Foundation and the Anaconda Community Market are not liable for any injury, illness, theft, loss, or damage of any kind to either the buyer or seller, or their property, arising out of or pertaining to preparation for, participation in, or use or consumption of products bought, sold, or provided at the Anaconda Community Market; whether such injury, illness, theft, loss or damage occurred prior, during, or after the Anaconda Community Market. By participating in the Market, seller further agrees to indemnify and hold the Anaconda-Deer Lodge County, Anaconda Community Foundation and the Anaconda Community Market harmless for and against any claims for such injury, illness, theft, loss or damage.

Enforcement of Market Rules

Market committee members value our good relationship with vendors and make every effort to educate vendors about the Market guidelines before and during the season. Market Staff reserves the right to suspend or revoke the selling rights of any vendor who repeatedly disregards one or more of the rules as outlined in these guidelines.

If Market staff suspends or revokes a vendor's selling rights for any reason, the selling rights of all working at that booth—primary seller and additional sellers, whether it be family, friends, agents, employees, etc.—are likewise suspended or revoked. Refunds will be given for booth fee if selling rights are revoked.

The rules, policies, and guidelines are determined, and may be changed, by the Market committee. Vendors will be notified of any significant changes and the date they become effective.

Vendors are required, with no exceptions, to comply with the ADLC/Public Health Safety Plan for the market. See attached.

Market Staff Responsibilities

Weather Policies

While the Market takes place rain or shine, for safety instances of severe weather can affect Market operations. The Manager will decide whether to hold the Market or delay the opening. This determination will generally not be made until set-up time, 1:30 pm, on Market day. Every effort will be made to provide ample time for vendors and customers to safely respond to hazardous weather conditions. Vendors will be notified as soon as possible via email if Market manager determines a weather event will occur.

The following weather conditions may cause the Market to be delayed, suspended, or cancelled: audible thunder and/or visible lightning; thunderstorm; high winds; heavy rains or snow; heat index of 103 degrees F; other as determined by management.

Delay of Market Opening:

Market staff will notify vendors in person and by email if the opening of the Market will be delayed due to weather. Opening will be delayed until 30 minutes after thunder is heard. Vendors should remain in their vehicles during this time or take cover in the Community Center. Vendors may also choose to excuse themselves from the Market on that date. Such an absence will be considered "excused."

Suspension of Market:

In the event that Market management determines severe weather will be of short duration, the Market may be suspended. The Market will be suspended until 30 minutes after thunder is heard. In the event of a suspension staff will quickly notify all vendors and provide instruction. Vendors should:

- Collapse all tents/canopies
- Secure all product by placing it in their vehicles or under tarps that are securely fastened to tables
- Take cover in vehicles
- Vendors may choose to excuse themselves from the market instead of waiting out a suspension. Such an absence will be considered "excused."

Cancellation of Market:

If market staff determine that cancellation is necessary staff will quickly notify all vendors and provide instruction. Vendors should:

- Collapse all tents/canopies
- Take down and repack all displays
- Take cover in vehicles or leave the market site.

Note: In the event of a sudden hazardous weather event, vendors should pack up money, nothing else, and move to shelter.

- In the event the market is closed or delayed, vendors are prohibited from setting up stalls or selling any product.

- In the event the market is closed or delayed, vendors who make weekly (non-retail) CSA deliveries will be asked to move to an inconspicuous location in another lot and are prohibited from setting up stalls or selling any product. These vendors will receive guidance directly from the Market Manager.
- It is acceptable for a vendor to call and say they are not comfortable attending because of weather conditions. Also, if a vendor arrives at the market and conditions are not good for their product or set up, they should decide if it is conducive for them to participate and notify staff accordingly.
- Vendors should call the market voicemail [406.563.5259] or market mobile phone [406.490.0462] for updates.

No refunds will be given if the market is cancelled, delayed, or closed early for any reason. It is the vendor's responsibility to keep their contact information up to date in the event the market is cancelled. Staff will make every effort through phone and email to notify vendors of any cancellations or changes.
